

copyright infringement in the music industry post-blurred lines

California Lawyers Association IP in Entertainment and Media Conference

November 6, 2025

Aaron Moss is speaking on the panel, "Copyright Infringement in The Music Industry Post-Blurred Lines," at the IP in Entertainment and Media Conference hosted by the California Lawyers Association on November 6, 2025.

About the panel...

Join us for a spirited discussion of developments in music copyright law over the past seven years since the controversial \$7,000,000+ *Blurred Lines* infringement judgment. Our panel of experienced copyright and entertainment lawyers will survey the more significant post-*Blurred Lines* music infringement cases and discuss current battleground issues such as the relevance of prior art, applying selection and arrangement claims, and addressing competing musicological theories.

Moderator: Owen Seitel, Partner, Crown, LLP

Speakers:

- Stephen M. Doniger, Partner, Doniger/Burroughs PC
- **Aaron Moss, Partner, Mitchell Silberberg & Knupp LLP**
