

new rules for p2p

Las Vegas Convention Center

January 6, 2010

Russ Frackman will be featured at P2P Media Summit, the DCIA Conference within CES.

On January 6, 2010, Russ will join industry leaders in discussing "New Rules for P2P: What changes are taking place in the regulatory environment affecting P2P technologies? What will be the impact of recent lawmaking actions and court rulings? What else has to happen from a legal and policy standpoint to foster investment and commercial development of P2P?"

For more information, visit [Distributed Computing Industry Association](#).
