## anti-slapp workshop

---

### **31st Annual Conference of the Forum on Communications Law**

February 6, 2026

Event Sponsor: American Bar Association

**Aaron Moss** will facilitate the Anti-SLAPP Workshop at the American Bar Association's 31st Annual Conference of the Forum on Communications Law on February 6, 2026.

*About the workshop...*

This workshop will cover important developments in anti-SLAPP legislation and litigation in the U.S. and abroad in the past year. We will provide updates on legislative efforts at the state, federal and international level to enact anti-SLAPP laws. whether state statutes apply to diversity claims in federal court; forum, choice of law, and dépeçage considerations; which types of claims are, and are not, subject to anti-SLAPP statutes, and how courts have addressed recurring questions about what is a publication of "public interest" and whether to award attorney's fees.
