

a primer on copyright termination and audiovisual works

February 12, 2026

Event Sponsor: The Copyright Society

Aaron Moss is speaking on the Copyright Society webinar, "A Primer on Copyright Termination and Audiovisual Works," on February 12, 2026.

This panel will discuss what copyright termination is, who can avail themselves of its benefits, how it is effectuated, common defects in notices, its impact on audiovisual works post-termination, and a brief discussion of a few recent noteworthy cases.
