

hot litigation cases in the music industry

A2IM Indie Week 2025

New York, NY

June 11, 2025

Eleanor M. Lackman and Bradley Mullins are speaking on the panel, "Hot Litigation Cases in the Music Industry," at A2IM Indie Week on June 11, 2025.

About the panel...

Join us for an in-depth look at the latest high-profile music litigation cases involving copyright infringement, defamation, rights of privacy and publicity, and the evolving intersection of music and technology. Our expert panel will break down the most important rulings, highlight key takeaways, and offer practical guidance for advising clients—both to proactively avoid legal pitfalls and to navigate disputes efficiently when they arise.
