

icann and trademarks: why can't we be friends?

Washington, DC

September 22, 2011

Steven Metalitz will be speaking at the INTA Internet Conference on September 22, 2011 for the session "ICANN and Trademarks: Why Can't We Be Friends?," which will include a discussion of the 2012 rollout of the new gTLD and Rights Protection Mechanisms for brand owners.
