# ceb's business law practice: year in review

---

January 23, 2014

Robin Gildea has been invited to speak at Continuing Education of the Bar's (CEB) popular Business Law Year in Review. This seminar returns with the latest developments for business law practitioners. This panel of business law experts will discuss 2014 legislative changes and significant federal and state court cases, identifying possible real-world applications and trends that will help keep you on top of your practice. This program will offer 3 hours MCLE Credit.

## practice areas

commercial litigation  
litigation
