

obtaining information in arbitration, *9th annual aba section of labor and employment law conference*

2015

Samantha Grant will be speaking at the 9th Annual ABA Section of Labor and Employment Law Conference on Friday, November 6, 2015 on "Obtaining Information in Arbitration."

The panel will discuss such issues as the right to information and discovery in arbitration; limitations on those processes; obtaining effective subpoenas; enforcing one's right to information and discovery against an uncooperative adversary; and remedies and consequences for a refusal to provide information and discovery in arbitration.
