# hot issues in copyrights, trademarks, patents and the business issues in making a deal for new technology entrepreneurs

---

New Orleans, LA

August 27, 2015

Jay Rosenthal will be presenting at the Cutting Edge Music Business Conference in New Orleans, LA on August 27-29, 2015 on "Hot Issues in Copyrights, Trademarks, Patents and the Business Issues in Making a Deal for New Technology Entrepreneurs."

During his presentation, Jay will discuss:

- Copyright reform, termination rights, and possible trademark infringement in mobile technology, social media, and 3-D printing;
- Music copyright issues that are dominating the IP agenda in Washington, D.C.; and
- The new sources of income for publishers and how should attorneys advise their clients to avail themselves of these sources.
