# future of exports: automation, regulation and enforcement

---

Palm Springs, CA

October 16, 2015

Su Ross will be speaking on a panel at 2015 WESCCON conference, the premier annual gathering of freight forwarders, NVOCC's, and customs brokers, on "Future of Exports: Automation, Regulation and Enforcement."

Many processes our companies now face seem to require us to automate. This panel will present a legal point of view and practical point of view. How do these match up and how much enforcement is being geared toward exporters?
