# practical or principled approach to the digital revolution: what to do when the law is on your side but market forces are not?

---

October 6, 2012

Gregory Olaniran will be among the expert speakers at the 2012 ABA Forum on the Entertainment & Sports Industries Annual Meeting. Greg will be speaking on a panel titled "Practical or Principled Approach to the Digital Revolution: What to do when the law is on your side but market forces are not?," on October 6, 2012.

MSK is also hosting the special Friday Luncheon featuring keynote speaker Lance Armstrong.
