Orly Ravid will be a guest speaker and advisor at the Film Independent Documentary Lab on April 28, 2016 from 1:00 pm - 5:00 pm.

Through a series of meetings and workshops, the Documentary Lab provides creative feedback and story notes to participating filmmakers, while helping them to strategize for the completion, distribution, and marketing of their films.

Additionally, the program serves to advance the careers of its Fellows by making introductions to film professionals who can advise on both the craft and business of documentary filmmaking. Lab Fellows attend multiple guest-speaker sessions with established documentary directors, producers, and editors.

At this event, Orly will review selected projects and will meet with the filmmakers to provide feedback, support, and insight as they ready their projects for release.
