Everything You Wanted to Know About TRADE, But Were Afraid to Ask

This program is designed for everyone who wants to understand the issues facing the forwarding industry, whether they are a forwarder, work for one, or rely on the services of a freight forwarder/consolidator.

- Learn about air vs. ocean forwarding; Why your package count matters, or does it?
- What are the latest security measures? What is AES?
- Why should I worry about terms of sale or banking requirements?
- Who is responsible for determining export licensing?
- Did you insure that shipment?
