

what "buy american, hire american" means for the security industry

Webinar

May 11, 2017
10:00 AM - 11:00 AM (PST)

Su Ross will be speaking on the webinar, "What 'Buy American, Hire American' Means for the Security Industry," to be hosted at 10:00 AM (PST) on May 11, 2017 by **SIA Briefings**.

On April 18, President Trump signed his "Buy American and Hire American" executive order, now under analysis by federal contractors, grantees and manufacturers. Exclusively for SIA members, this webinar will examine what is in the executive order, how it relates to current domestic content requirements and some of the expected implications for the security industry and the global supply chain for security and life safety products.
