Su Ross will be speaking on the CES Session, "Self-Filing vs. Broker Filing, Challenges, Similarities, etc.," at **G.TEC 2017**, taking place August 7-8, 2017 in Long Beach, CA. This session will be held on Monday, August 7, from 1:15 PM to 2:45 PM.

What should be considered when making a decision to self-file? Is it as simple as filing an entry? Is it based on volume of transactions? Is it based on the complexity of the product being imported? Or is there more that you should consider? People have frequently posed this question. Find out what should be considered when making this decision and what's at stake.

The Global Trade Education Conference (G-TEC) is an annual event put on by the NCBFAA Educational Institute (NEI). It offers attendees the opportunity to have in-person training with the leading subject matter experts in the industry, as well as meet and network with colleagues. It is an educational opportunity open to all members of the international trade and logistics community.
