Eric Schwartz will be speaking at the event, "Careers in Copyright: Those Who Can, Make Art; Those Who Can't, Become Copyright Lawyers," hosted by the Copyright Society of the USA on June 13, 2017.

Artists and attorneys will discuss the role of copyright in their creative and legal work — and offer practical insights about government, law firm, and in-house jobs. A networking reception will follow. With internship season starting in the city, do not miss this great opportunity to mingle with the DC copyright community.
