On Monday, July 10, Alexandra (Xander) Meise was a guest speaker on the "Taking Ship" podcast hosted by Elie Jacobs and Frank Spring.

Taking Ship is a podcast that believes you can take politics and culture seriously while laughing at both. Each week, they take a look at the political landscape with a special guest. In this special episode, Xander joins Elie and Frank for a review of the most recent Supreme Court term and a preview of a few cases to come in the Fall term.
