## artificial intelligence and ethics

---

Zoom

February 19, 2025  
12:00pm - 1:00pm PT

Join us for an engaging one-hour webinar on **February 19, 2025 at 12:00 PST/3:00 EST**, for a discussion as to how emerging AI technologies intersect with the ethical / professional responsibilities of attorneys (in house and in law firms). Topics to be discussed include the relevant obligations under the laws in key states, ABA Formal Op. 512 (the AI recommendations), and real world applications of these requirements, especially as related to competency and confidentiality.

This dynamic session will feature insights from:

**John Elliot**, Senior Manager of Legal Operations & Technology, Netflix

**Susan Kohn Ross**, Partner and Cybersecurity & Privacy Practice Chair, Mitchell Silberberg & Knupp LLP

**Lucy Holmes Plovnick, AIGP, CIPP/US**, Partner, Mitchell Silberberg & Knupp LLP

MSK is an approved provider of CLE in California. This 60-minute program qualifies for 1.00 hour of California CLE Ethics credit. For attorneys barred in other states, please check your state bar rules of reciprocity in order to claim CLE credit. Contact Wendy Chan ([wtc@msk.com](mailto:wtc@msk.com)) with any CLE-related questions.

The Zoom link for the program is available upon registration.
