Games Industry Law Summit Vilnius 2024

Vilnius, Lithuania

September 4, 2024

Marc Mayer and Karin Pagnanelli are leading the panel "Legal Radar: USA" at the 2024 Games industry Law Summit in Vilnius on September 4, 2024.

They will discuss copyright and trademark fair use one year after *Warhol* and *Jack Daniels*, the status of litigation around the issue of game addiction, updates on mass arbitration and Terms of Service litigation, and developments in international anti-piracy/anti-cheat litigation, including the AimJunkies and EngineOwning cases.

Games Industry Law Summit is the invitation-only conference for games industry's top legal professionals, curated by a collaborative community from 56 different countries.
