### More Than Just a Game Stanford 2024

Stanford Law School

March 1, 2024

3:30 pm – 4:45 pm

**Karin Pagnanelli** and **Robert Rotstein** are speaking on the panel "Collective and Non-Human Creativity" at More Than Just a Game (MTJG) Stanford 2024 on March 1, 2024.

More Than Just a Game (MTJG) is a unique series of academic-led conferences on Games and Interactive Entertainment Law. MTJG Stanford 2024 aims to bring together the interactive entertainment community, leading industry players and pioneers in the US and build bridges through forward-looking and insightful discussions on pressing issues such as trust and safety, player protection, anti-trust/competition law, UGC, and generative AI and a keynote from Shawn Layden, the former head of Sony Interactive.
