**Su Ross** will be speaking in the webinar, "Talking Tariffs (Again!)" as part of the TAG Alliance's Member Benefit Series, on March 3, 2026 at 10:00am PT.

*About the webinar...*

The recent U.S. Supreme Court decision in *Learning Resources, Inc. v. Trump* has put tariffs back in the spotlight – and left companies asking urgent, practical questions. What does this mean in practical terms? Will companies that paid tariffs receive refunds, and if so, how soon will they arrive? And what alternative tariff authorities remain available to the current administration?

Join Susan Kohn Ross of Mitchell Silberberg & Knupp LLP (Los Angeles, California, USA - TAGLaw) for a fast-paced, highly interactive discussion unpacking what the Court's ruling really means for businesses and their advisors. We'll examine the legal implications of the decision, potential refund pathways, and the broader trade tools still at the Executive Branch's disposal.

Bring your questions – and your hypotheticals – as we unpack what may be next in the evolving tariff landscape.
