We are excited to announce that Mitchell Silberberg & Knupp Vice Chairman Nimish Patel was appointed recently to the Board of Directors of the environmental advocacy group Heal the Bay.

Mr. Patel's involvement in the Santa Monica community began years ago, most recently being elected to the Santa Monica Malibu Unified School District Board in 2010. His new position a member of the Board of Directors of Heal the Bay continues Mr. Patel's interest in helping the community of Santa Monica and creating a legacy for its next generation.

Heal the Bay's mission is to make Southern California's coastal waters and watersheds, including Santa Monica Bay, safe, healthy and clean. They use science, education, community action and advocacy to pursue its mission.
