## nysba partners with ny court system to create pro bono clerkship program

---

November 23, 2009

The NY State Bar Association's Lawyers in Transition Committee, chaired by MSK litigation partner Lauren Wachtler, spearheaded an innovative pro bono clerkship program in conjunction with the New York State Unified Court System that provides opportunities for unemployed attorneys to clerk for judges throughout the state.

The Lawyers in Transition Committee is also providing free webcasts on job searches, networking and alternative careers on September 16, September 29 and October 15 that are available to all attorneys who pre-register at Lawyers in Transition.
