December 18, 2009

The Association of Media and Entertainment Counsel (AMEC) named Mitchell Silberberg & Knupp The Outstanding Media and Entertainment Law Firm of the Year. A leading trade association for general counsel and business affairs attorneys, AMEC recognized MSK for its excellence in the entertainment industry and contributions to the field.

MSK was recognized at AMEC's prestigious 5th Annual Counsel of the Year Awards, the only awards designed to honor attorneys who are part of the leadership at the major global media and entertainment companies.

Arnold Peter, former Vice President of Legal and Business Affairs and Labor Relations at Universal Studios and AMEC co-founder, states: "MSK is clearly one of the trail blazing firms and thought leaders for the entertainment industry. When there is an industry-wide legal challenge, we consistently turn to MSK and its partners, many of whom are legends in their respective specialties."
