

the *los angeles business journal* names susan kohn ross among the 2017 leaders in law nominees

October 2017

Mitchell Silberberg & Knupp LLP (MSK) is pleased to announce that Susan Kohn Ross has been named to the *Los Angeles Business Journal's* Leaders in Law shortlist as a finalist in the International Law category.

The International Trade Practice at MSK assists domestic and foreign clients in matters involving customs and international trade, international transportation and maritime law, and food and drug law as it relates to the import/export and interstate distribution of products. The United States' growing focus on homeland security and anti-terrorist protections has resulted in new and expanded federal powers to control the movement of goods across and within our borders. This has had a dramatic impact on international trade and commerce. As such, we are pleased to offer our clients skilled advice and counsel in this highly regulated arena.

Su's practice focuses on compliance whether dealing with Cybersecurity/ Privacy or International Trade. She deals with regulatory, civil and criminal issues. Her clients come to her for assistance to solve current challenges, but also to identify and manage risk.

The award recipients will be recognized on Tuesday, October 24, 2017 at The L.A. Hotel Downtown.
