April 16, 2018

Mitchell Silberberg & Knupp LLP is honored to congratulate our partner, Lucia Coyoca, on being named among the *Los Angeles Business Journal's* 2018 list of "Most Influential Women Attorneys."

From the publication:

"According to the American Bar Association, 36% of practicing attorneys today are women - and that number will continue to move toward balance when you consider that law school enrollment is currently 49% female. Los Angeles is truly a national leader when it comes to influential women - and the field of law is no exception. There are some particularly stellar attorneys in the LA region who happen to be women and we've alphabetically listed 75 of them here, along with some basic information about their careers, practice and some relevant recent successes they've achieved. These are honorees we chose to recognize for exceptional legal skill and achievement across the full spectrum of responsibility, exemplary leadership as evidenced by the highest professional and ethical standards, and for contributions to the Los Angeles community at large."
