Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high-degree of peer recognition and professional achievement. Only five percent of lawyers practicing in each region are selected for inclusion in *Super Lawyers* annually. Each year, the research team at *Super Lawyers* Magazine undertakes a rigorous multi-phase selection process that includes a statewide survey of lawyers, independent evaluation of candidates by the attorney-led research staff, a peer review of candidates by practice area and a good-standing and disciplinary check.
