April 28, 2022

Mitchell Silberberg & Knupp is pleased to announce that MSK Partner, **Eric J. Schwartz**, has been selected for inclusion to the Washington, D.C. *Super Lawyers* list for 2022.

Thomson Reuters' *Super Lawyers* is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high-degree of peer recognition and professional achievement. Only five percent of lawyers practicing in each region are selected for inclusion in *Super Lawyers* annually. Two and a half percent of lawyers practicing in each region are selected for inclusion in the "Rising Stars" list. Candidates for the "Rising Stars" list are 40 years or younger, or have been in practice 10 years or less.

Each year, the research team at *Super Lawyers* Magazine undertakes a rigorous multi-phase selection process that includes a statewide survey of lawyers, independent evaluation of candidates by the attorney-led research staff, a peer review of candidates by practice area and a good-standing and disciplinary check.
