

msk receives 'on the radar' award by *alm*

September 8, 2022

Mitchell Silberberg & Knupp LLP has been recognized as an 'On the Radar' firm in the Trademark/Copyright category as part of the annual California Legal Awards, presented by *The Recorder*, the American Lawyer Media (ALM) publication that focuses on California's thriving technology sector and emerging legal issues in the state. The 'On the Radar' award recognizes go-to law firms representing tech sector clients based on analysis of data reported by *Law.com* Radar, *ALM's* source for real time federal litigation and corporate deal updates. Winners were selected based on volume and significance of matters handled for leading technology companies during the contest period by California legal teams.
