MSK Partner Jeffrey Eisen was named to *The Hollywood Reporter's* 2023 "Power Lawyers: Troubleshooters" list, published on September 20, 2023. The list recognizes Hollywood's top entertainment dealmakers and litigators. The full list can be viewed on the Apple News app or the current issue of *The Hollywood Reporter* magazine.

From the article...

"While some lawyers take a cookie-cutter approach to estate planning, Eisen says stars go to him for advice that's tailored to their needs. He's currently guiding two co-trustees through a minefield of an estate left by a "public figure with significant liquidity issues and very difficult beneficiaries." The firm has handled posthumous affairs for Elvis Presley, Marilyn Monroe and Albert Einstein, and Eisen advises the estates of Farrah Fawcett and Muhammad Ali.

THE MOST CHALLENGING PART OF MY JOB IS ... "Dealing with people for whom creating drama and rancor seems to be the end goal."
