

msk featured in *law360* for dei, talent development director hire

Law360

March 27, 2024

MSK was featured in the article, "Mitchell Silberberg Names DEI, Talent Development Director," published by *Law360* on March 27, 2024. The article profiles Iveliz Crespo, MSK's first Director of DEI and Talent Development.

From the article...

"Crespo said that their role with Mitchell Silberberg will focus on fostering an inclusive and equitable workplace culture while also strategically developing the firm's talent pool, with areas of focus including assessing the firm's current DEI state, strategic development, and the creation and implementation of employee development programs. 'When developing a DEI strategy, I focus on key aspects to ensure effectiveness,' Crespo said."
