MSK is pleased to announce that **Jeffrey Eisen** was named to *The Hollywood Reporter's* "Legal Troubleshooters" list, published on November 19, 2025.

From the article...

Co-chair of MSK's high-powered trusts and estates practice, Eisen continues to handle high-stakes celebrity estate matters — notably the ongoing administration of Muhammad Ali's estate, including rights tied to his name, image and likeness. His team, known for representing such legends as Marilyn Monroe, Elvis Presley and Albert Einstein, is currently — quietly — overseeing the complex estate of a deceased A-list musician involving intellectual property and memorabilia assets.

Strangest Place You've Ever Taken a Client Call? "On a cruise ship in the middle of the ocean."
