

jeffrey eisen represents muhammad ali estate in u.s. forever stamp recognition

January 15, 2026

We are pleased to share that **Jeffrey Eisen**'s longtime client, Muhammad Ali, has been honored with a commemorative U.S. Forever postage stamp issued by the U.S. Postal Service. The stamp, officially released on January 15, 2026, recognizes Ali's extraordinary impact as both a three-time heavyweight boxing champion and a cultural figure whose influence spanned humanitarian causes, civil rights and global goodwill. Jeff continues to represent Ali's estate and Ali's wife Lonnie; MSK is very pleased to have had a role in making this stamp a reality.

The first-day-of-issue ceremony took place in Louisville, Kentucky — Ali's hometown — and marks the first time the legendary athlete and activist has been featured on an official USPS stamp. Designed with imagery reflecting his athletic and humanitarian legacy, the Muhammad Ali Forever Stamp joins the ranks of national tributes that honor individuals who have shaped American history and culture.

This recognition underscores the enduring relevance of Ali's life and values, and we are proud to support the legacy of a client whose contributions extend well beyond the world of sport.
