February 26, 2025

MSK Partner Theresa Bowman was named to the *Legal 500's* inaugural "U.S. Elite Series" list for International Litigation – one of only 28 legal professionals in Washington, D.C. to receive this recognition.

The *Legal 500* U.S. Elite emphasizes lawyers who are handling work at the top of the legal market. Selections are made on the basis of interviews with top practitioners, peer feedback and a review of top matters handled. Theresa's selection comes on the heels of several successful representations of large entertainment and media companies in international intellectual property matters, as well as recent appellate successes in international law matters.
