MSK Partner Lauren Wachtler and Same Sky, a nonprofit organization dedicated to helping impoverished women in Rwanda help themselves out of financial hardship by giving them skills and a job, were featured in the October, 2010 issue of the *ABA Journal*. Ms. Wachtler, the legal mind behind the 3-year old organization, says "the idea was to empower the women economically." Same Sky was founded by Francine LeFrak whose dream, per Ms. Wachtler, was "To give people a hand up, not a handout."
