

the 2007 legal 500 usa guide recognizes russell frackman and msk's copyright practice

July 20, 2007

The 2007 *Legal 500 USA Guide*, the world's largest legal referral guide, recommends MSK's interdisciplinary copyright team, noting its "strength and depth, but with the flexibility and personal services of a niche practice."

Russ Frackman was singled out for their "legendary," "luminary" and "stand-out" copyright expertise.
