

steve metalitz and eric schwartz prepare special "301 report" for international intellectual property alliance (iipa)

February 14, 2012

The International Intellectual Property Alliance (IIPA) submitted its "Special 301" review, prepared by Steve Metalitz and Eric Schwartz, on February 10, 2012, to the U.S. Trade Representative with recommendations to address rampant piracy of copyrighted works and severe obstacles to U.S. job and export growth in 41 countries/territories.
