

msk named to *national law journal's* 2013 "midsize hot list"

April 10, 2013

For the fourth consecutive year, MSK is one of just 20 law firms from across the U.S. to be named to *The National Law Journal's* Midsize Hot List of firms that "are good at what they do, but are also good at how they do it." The *NLJ* noted MSK's prominence in the areas of music and entertainment, labor and employment, copyright and intellectual property, and the charitable sector.
