

msk attorneys named to the 2014 list of *super lawyers*

October 2014

Mitchell Silberberg & Knupp is pleased to announce that two of the firm's Partners have been named 2014 New York Metro Super Lawyers, and one of its Partners has been named a Southern California Super Lawyer. Each year, no more than 5% percent of attorneys in each state are selected for the prestigious Super Lawyers accolade.

"We are proud of our Partners who have received this highly selective distinction and the outstanding work that they do for our clients," said Nimish Patel, Co-Managing Partner at Mitchell, Silberberg & Knupp*.

The attorneys ranked in the 2014 list of *Super Lawyers* are:

- Kevin Friedmann, Business & Finance Partner

This marks the first year that Kevin Friedmann has received the New York Metro Super Lawyers accolade. He has previously received the Southern California Super Lawyers -- Rising Stars accolade.

- David B. Gordon, Litigation Partner

This marks the second year in a row and third year in total that David Gordon has received the New York Metro Super Lawyers accolade.
