Mitchell Silberberg & Knupp LLP has been named to Vault's "Top 150 Under 150" list, a new list highlighting the "best-known and most sought-after" law firms with fewer than 150 attorneys! Vault developed the list as a resource for students and lateral candidates seeking to work outside of BigLaw. Vault researched firms based on nine criteria before narrowing the list to 150 firms "known for providing top-notch service and delivering big results." According to Vault, the list "is a recognition of leading law firms that have fewer attorneys, but no less expertise, than the global megafirms that often dominate rankings and headlines."
