May 15, 2016

MSK has been named to *Law360*'s list of "The Top 100 Firms for Minority Attorneys," published on May 15, 2016.

Law360 ranked firms by examining a variety of factors, including the percentage of partners, both equity and nonequity, who are minorities; the percentage of associate-level attorneys who are minorities; and the total number of minority attorneys at the firm. For the firms that nabbed spots on the list, the number of minorities at all levels of the firm shows that firm leaders are having at least some success in encouraging and supporting diversity.
