Patricia Benson, David Gordon, Marc Mayer, and Daniel Kohler are mentioned in the article, "World Chess Loses Move To Halt Updates From Championship," published by *Law360* on November 22, 2016.

The article discusses a lawsuit filed earlier this month by World Chess, claiming that "Chessgames.com and Chess24.com are 'free-riding' on its rights by publishing live updates of in-progress matches," and how a New York federal judge has since cleared these updates. The aforementioned MSK attorneys are named in the article for representing Chess24.
