Christine Lepera has been featured in *Billboard's* "Women In Music 2016: The 100 Most Powerful Executives" list on December 5, 2016. Ms. Lepera was included in a special sub-section recognizing her as a power attorney among the seven music lawyers listed "at the top of their game" for her work in representing Dr. Luke.

From making records to protecting rights, negotiating contracts to discovering talent, the female executives included on *Billboard's* 2016 "Women in Music" list represent the best of today's dealmakers, influencers and tastemakers. For this year's edition, in addition to categories for labels, publishing, live music, agencies, digital, media, branding, management and performance rights organizations, the editors of *Billboard* have also chosen a group music attorneys and public relations executives for whom 2016 was especially busy.

The awards show accompanying this list honoring women in music will air on December 12, 2016 on the Lifetime network.
