July 3, 2017

David Rugendorf was quoted in *Law360*'s article, "BALCA Flips Denial of Financial Analysts," on July 3, 2017.

In this case, MSK sought immigration benefits for Guess on behalf of a key employee, but the US Department of Labor denied the matter on technical grounds. On appeal to the Board of Labor Certification Appeals (BALCA), David Rugendorf argued that inherent flaws in the Department of Labor's application system were so egregious that they violated basic requirements of due process and fairness. BALCA agreed, and a unanimous panel reversed the Department of Labor decision.
