Mitchell Silberberg & Knupp LLP was mentioned in the article, "NFL, Viacom, Unions Rip Aereo At High Court," published by *Law360* on November 19, 2013.

The article discusses the case in which major sports leagues, media conglomerates, labor unions, legal scholars and others urged the U.S. Supreme Court to consider shutting down Aereo Inc., warning that a lower court ruling declaring the online service was legal threatened the basic rules of copyright law. MSK was mentioned given our representation of our client ASCAP.
