MSK partner, Jeff Eisen was quoted in the article, "Tax Planners Not Banking On An Estate Repeal," published by *Law360* on November 3, 2017.

From the article..

"Large-scale lifetime giving has virtually come to a stop because clients don't see as much of a need to reduce the value of their estates during their lifetimes, Eisen said. Repeal of the estate tax would completely eliminate the incentive for such gifts, he said."
