

adam levin quoted in *the hollywood reporter*

January 18, 2018

MSK partner, Adam Levin was quoted in the article, "How a New Ban on Asking About Salary History Could Help (and Hurt) Women" published by *The Hollywood Reporter*.

From the article..

"A new California law that bans employers from asking potential hires about their salary history is meant to be a step toward closing the gender pay gap — but many Hollywood reps feel the legislation will complicate negotiations and could impede that goal."
