

nimish patel quoted in *pymnts*

March 12, 2018

MSK Vice Chairman, Nimish Patel was quoted in the article, "For SEC, Subpoenas No Mere 'Token Interest' In ICOs," which was published by *PYMNTS* on March 12, 2018.

From the article..

"A hammer? A velvet hammer? A helping hand?"

No one knows at this point, when it comes to a duo of acronyms now inextricably linked: The SEC and ICOs.

Last week, of course, the U.S. Securities and Exchange Commission issued scores – the tallies varied depending on where you got the news, but *The Wall Street Journal* estimated "dozens" – of requests for information and subpoenas from companies who have dipped, or are dipping, corporate toes in the initial coin offerings pool."
