

steven krone quoted & featured by *wbfo* 88.7

July 25, 2018

Steven Krone was quoted and featured in the article, "Horror film 'Bashira' shooting in Buffalo, creating local jobs," published on July 25, 2018 by the website for *WBFO 88.7*, "Buffalo's NPR News Station."

The article covers the filming of an Asian-inspired horror film as it continues in downtown Buffalo. The work being done on the film is taking place across the region and is creating many local jobs. Mr. Krone is producing the film and is quoted on the filming locations, the film's characters, as well as the talented crew in Buffalo. A photo of Mr. Krone appears alongside the article.

The film is slated for release in the fall of 2019.
