January 2, 2020

MSK partner Jeffrey Davine was quoted in the article, "State & Local Tax Policy to Watch in 2020," published by *Law360* on January 1, 2020.

From the article...

"This is going to have a lot of ripple effects and ultimately is going to cost companies a lot more money," Davine said.

He said he understood the intent behind the law, which was to extend more rights to contractors, but said A.B. 5 went too far and created myriad, perhaps unintended, negative consequences."
